Dear Neighbour,

Byron Bay is hosting the 26th annual Byron Bay Triathlon on Saturday 7 May 2022. We expect this event to attract over 2,000 participants and supporters staying for multiple days in beautiful Byron and the surrounding districts.

We understand that this event changes the usual traffic flow, and detailed planning has been made to consider individual circumstances and minimise inconvenience to the community. Please contact our crew to arrange access during the closure period.

We are raising funds this year through the Community - Mum's Fun Run on Sunday morning for the local Family Centre charity to assist displaced families after the floods.

We encourage everyone to join us for a run or walk Sunday morning from the Surf Club. \$20 a person or \$50 for a family of any number. All income goes direct to the Family Centre and locals needing some assistance.

Contributions from the triathlon event will also be made to the Byron Bay SLSC, Byron Triathlon Club, Byron Cycle Club, Byron Lighthouse Run. Fundraising through volunteer groups grants program remains open for Clubs and sporting groups.

Mike Crawley,
Race Director, NXsports Community Foundation

Thank you to our community partners for making this event possible

Parking Restrictions & Noise

Participant parking restrictions will be in place on Saturday 7 May during the Byron Bay Triathlon to ensure correct parking and residents can still access local shops. Please call and report any problem parking. The public address system will be used to marshal and commentate on the racing from 7.00am to 12.00pm.

Road Closures

The following road closures will be in place to ensure competitor safety during the event. Managed by traffic control and police to facilitate changes to the usual traffic flow.
